

## University of Redlands School of Continuing Studies SCS Scholarship Application

The School of Continuing Studies invites prospective students to apply for the SCS Scholarship. This scholarship will cover the cost of at one course and/or allow students to take courses at a reduced rate offered by the School of Continuing Studies and is for individuals who otherwise would not be able to enroll.

---

### **Eligibility for the Scholarship:**

- Must have financial need.
- Available only to students enrolling in coursework through the School of Continuing Studies.
- Eligibility is determined by a combination of demonstrated financial need and the quality and content of the scholarship statement.
- Applicant's tuition balance along with available scholarship funds and other factors will be considered to determine the amount of the award.

### **Application/approval procedures:**

- Student must submit application detailing the circumstances of the hardship, a minimum of one week prior to the course start date to the School of Continuing Studies.
- A decision on the application will be made the SCS Scholarship Committee which meets as needed.
- This is a one-time award applied as tuition credit to the upcoming balance of a certificate program course(s).
- Scholarships are non-transferable, and may not be applied to any person, program or start date other than the one for which it was awarded.

### **Instructions:**

If you have verifiable financial need please submit the completed form along with your statement to the School of Continuing Studies by e-mail at [info-scs@redlands.edu](mailto:info-scs@redlands.edu). Notification of eligibility and amounts will be made via the email you provide on your application.

Applications are reviewed on a regular basis. You will receive an email if your application has been approved.
