

About the Venue

OUTDOOR EVENT SPACES

1200 E Colton Ave Redlands CA

The University of Redlands campus is located on 160 acres at the base of the San Bernardino mountains. Our alluring Southern California climate allows for a wide variety of vegetation to grow. Our campus boasts lush lawns, blossoming gardens, water efficient landscapes, orange groves, vegetable farm, athletic facilities and so much more. Each space is unique with various features and amenities.
