

# *Women, Gender, and Sexuality Studies*

Spring 2023

Women, Gender and Sexuality Studies is interdisciplinary. The courses that count directly toward the WGS major and minor are available under Women, Gender, and Sexuality Studies and Cross-listed courses. There are also negotiable courses that can count towards a major or minor in WGS when students arrange for them to do so. For more information, visit our program office in Larsen Hall room 207 or email Dr. Jennifer Nelson, Director of Women, Gender, and Sexuality Studies, at [jennifer\\_nelson@redlands.edu](mailto:jennifer_nelson@redlands.edu).
